Welcome to Machine Learning for Predictive Analytics

Bojan Božić
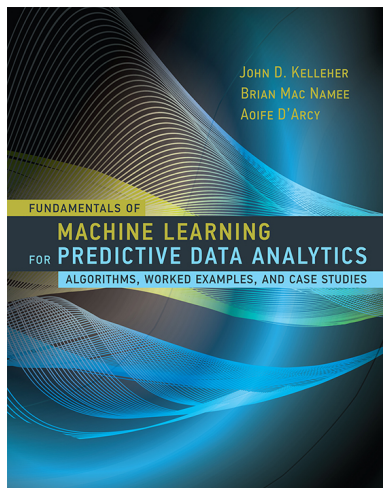

TU Dublin

2020

Lecturer: Bojan Božić

- 2005-2009: Software Development Engineer at Philips Speech Processing Systems
- 2008: MSc in Multimedia and Software Engineering (Technikum Vienna)
- 2009-2015: Scientist at Austrian Institute of Technology
- 2014: PhD in Computer Science (University of Vienna)
- 2015-2017: Research Fellow at Trinity College
- 2017-2019: Research Fellow at CeADAR
- 2019-now: Assistant Lecturer at TU Dublin

Course book: Fundamentals of Machine Learning for Predictive Data Analytics

machinelearningbook.com

Classes

- Monday evenings from 18.30 to 21.30
  - We will start at 18.35 sharp
- Module code: CMPU4011
- Contact:
  - bojan.bozic@tudublin.ie
  - Start subject with [MLPA]
- Evaluation:
  - 30% Assignment (before/during Easter Holidays)
  - 70% Final Exam (at the end of semester)
- Online Resources and Collaboration:
  - Brightspace:
    https://brightspace.tudublin.ie/d2l/home/51413
  - Slack: Invite link will be sent out via mailing list.
